Safe Harbor Statement

This contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 and the Private Securities Litigation Reform Act of 1995. These forward-looking statements may include statements regarding our expectations of continued growth, the development, regulatory approval, commercialization and impact of MosaiQ and other new products (including our expectations regarding the timing and results from field trials of our products under development and the timing of applications for various regulatory clearances required for commercial sales of those products, as well as the potential for using the Company's MosaiQ technology in infectious disease diagnostics), current estimates of third quarter and full year fiscal 2021 operating results and expectations regarding our future funding sources. Such statements are based on current assumptions that involve risks and uncertainties that could cause actual outcomes and results to differ materially. These risks and uncertainties, many of which are beyond our control, are greater than they otherwise would be because of the impact of the COVID-19 pandemic.

They include COVID-related delays or disruptions of field trial studies for our products, delays or denials of regulatory approvals or clearances for products or applications; market acceptance of our products; the impact of competition; the impact of facility expansions and expanded product development, clinical, sales and marketing activities on operating expenses; delays or other unforeseen problems (not related to COVID with respect to our manufacturing or product development activities or field trial studies; adverse results in connection with any future legal proceedings, continued or worsening adverse conditions in the general domestic and global economic markets, including as a result of the global COVID-19 pandemic; as well as the other risks set forth in the Company's filings with the Securities and Exchange Commission. Investors are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. Quotient disclaims any obligation to update these forward-looking statements.
